

Biography

Michael Robinson

*Senior Vice President
Operations
TE Connectivity*

Michael Robinson serves as Senior Vice President of Operations for TE Connectivity, one of the world's largest providers of products and solutions that connect and protect the flow of power and data in virtually every industry. With fiscal 2011 sales of \$14 billion, TE Connectivity has approximately 100,000 employees in 50 countries.

Mr. Robinson's responsibilities include leadership of the company's strategic purchasing, manufacturing, logistics and quality assurance functions, as well as Six Sigma and Lean process improvements.

Mr. Robinson joined TE Connectivity from United Technologies, where he served as Vice President of Operations, Residential and Light Commercial International at Carrier Corporation. Prior to that, he held general and senior management positions at Pratt & Whitney.

Mr. Robinson holds a bachelor's degree from Syracuse University New York, U.S. and a master's degree from Boston University, Massachusetts, U.S.

ABOUT TE Connectivity

TE Connectivity is a global, \$14 billion company that designs and manufactures approximately 500,000 products that connect and protect the flow of power and data inside the products that touch every aspect of our lives. Our nearly 100,000 employees partner with customers in virtually every industry—from consumer electronics, energy and healthcare, to automotive, aerospace and communication networks—enabling smarter, faster, better technologies to connect products to possibilities.
