

## Biography

### **Cuong Do**

*Senior Vice President  
Corporate Strategy & Business Development  
TE Connectivity*

Cuong Do serves as Senior Vice President of Corporate Strategy & Business Development at TE Connectivity, one of the world's largest providers of products and solutions that connect and protect the flow of power and data in virtually every industry. With fiscal 2010 sales of US\$12.1 billion, TE Connectivity has approximately 100,000 employees in 50 countries.

Mr. Do leads the ongoing evolution of TE Connectivity's strategy and works closely with the company's businesses to ensure their development initiatives are aligned with the overall company vision. He also is responsible for TE Connectivity's mergers and acquisitions efforts.

Prior to joining TE Connectivity, Mr. Do was Senior Vice President and Chief Strategy Officer for Lenovo, a global leader in personal computers. He previously was a Director with McKinsey and Company where he helped to build the company's healthcare, high tech and corporate finance practices.

He holds a Bachelor of Arts degree from Dartmouth College, New Hampshire, U.S. and a Master of Business Administration from the Amos Tuck School of Business, Dartmouth College, New Hampshire, U.S. He serves on the boards of Wuxi AppTec, Shanghai; Fugoo; Celebrate the Children; and the National Youth Science Foundation and is a member of the Tuck MBA Advisory Board.

### **ABOUT TE Connectivity**

TE Connectivity is a global, \$12.1 billion company that designs and manufactures over 500,000 products that connect and protect the flow of power and data inside the products that touch every aspect of our lives. Our nearly 100,000 employees partner with customers in virtually every industry—from consumer electronics, energy and healthcare, to automotive, aerospace and communication networks—enabling smarter, faster, better technologies to connect products to possibilities.
