-
- Technical drawing of a DEUTSCH 101 242 0000 lamp assembly. The drawing shows the main body of the lamp, which is a cylindrical shape with a flared base and a mounting bracket. The text "DEUTSCH 101 242 0000" is printed on the side. A separate component, likely a lens or reflector, is shown below the main body, featuring a rectangular opening and a mounting bracket.

Technical drawing of the front view of the 1000 Series 1/2. The drawing shows a cylindrical component with a central threaded port. A dimension line indicates a diameter of $\varnothing 21$ for the main body. A detail callout shows a cross-section of the central port with a diameter of $\varnothing 9.8$ and a depth dimension of 8.
