1. Quotations from the Company are valid for a period of thirty (30) days from the date of issue or otherwise specified in the quotation. Prices given in any quotation by the Company are applicable to that quotation only and will not apply in any other instances. A quotation from the Company is not an offer to sell.

2. In order to purchase the Goods, the Customer must place with the Company a written purchase order setting out an order number, the Company's quotation number (if applicable), full description of the Goods to be purchased, the requested delivery date, delivery point and any other information required by the Company. The purchase order may be accepted or rejected by the Company.

3. A Contract shall be formed by and upon the Company accepting in writing a purchase order from the Customer pursuant to clause 2 and each Contract shall be governed by these Terms and Conditions.

4. These Terms and Conditions shall take precedence over any other representations, agreements, arrangements or understandings relating to the Goods and any matters in connection therewith.

5. No terms and conditions stated in or attached to the Customer's communications to the Company, including but not limited to the Customer's purchase order, the terms of which are hereby rejected, are applicable to these Terms and Conditions in any way and are not considered the Customer's exceptions to the provisions of these Terms and Conditions. Trade customs, trade usage and past performances are superseded by these Terms and Conditions and shall not be used to interpret them.

6. The Company may at its discretion, as a condition of acceptance of a purchase order require the Customer to provide to the Company cash deposit, Guarantee, bank guarantee or enter into a credit arrangement on the Company's terms prior to delivery of the Goods.

Payment of purchase price

7. Purchase orders are accepted by the Company subject to the condition that the Customer agrees to pay the purchase price appearing on the Company's price list for those Goods current on the date the purchase order is accepted by the Company, or as otherwise quoted by the Company in writing.

8. Copies of the Company's price list current as of the date of acceptance of the purchase order are available on request. All prices are subject to alteration without notice.

9. The purchase price, unless otherwise expressly stated, does not include any packaging, freight, assembly costs, installation costs, costs and charges of third party suppliers such as electricians, insurance or any statutory, sales, excise, goods and services, or other taxes, duties or imposts, all of which may be added to the purchase price or otherwise will be paid by the Customer or reimbursed by the Customer to the Company, as the Company may elect.

10. Payment of the purchase price must be made in full within 30 days after the date of the invoice or otherwise in accordance with the Customer's credit arrangement as amended in writing by the Company from time to time.

11. The Customer must not set off any money owing or alleged to owe by the Company against money due by the Customer to the Company.

12. If the Customer does not pay to the Company all money by the due date for payment, without prejudice to any other rights which it may have against the Customer, the Company may require the Customer to pay upon demand interest at the Singapore Interbank Offer Rate effective from time to time plus four (4) % per annum calculated from the due date on daily balances of amounts unpaid.

13. If GST is payable on a supply pursuant to these Terms and Conditions, the Customer must also pay to the Company an additional amount equal to the GST payable. This clause does not apply to the extent that the purchase price is expressly stated to be GST inclusive. The Customer must pay the GST amount at the same time as the Customer must pay the purchase price.

Cancellation of orders

14. Purchase orders may not be altered or cancelled without the written consent of the Company. If the Company agrees to alter or cancel the purchase order, the Customer will indemnify the Company against any loss, damage and expense incurred by the Company in relation to the cancellation or alteration of that purchase order including the cost of return freight, return shipping to factory of origin, items purchased from third parties for inclusion in Goods and all labor and engineering costs incurred by the Company in the execution or part execution of the Goods and including compensation payable to any supplier of the Company and loss of profit.

Return of Goods and credits

15. The Customer is deemed to have accepted the Goods unless it makes a claim in accordance with clause 16.

16. The Customer may reject any Goods which are wrongly supplied or oversupplied by notifying the Company of the claim and providing full particulars of the claim in writing within five (5) days of receipt of those Goods. The Company may dispute any such claim.

17. Goods referred to in clause 16 may be returned to the Company for credit if all of the following is complied with:

- (a) The Goods are returned to the Company's premises by prior arrangement and with the Company's written approval within fourteen (14) days of delivery, at no cost to the Company, unless delivered as the result of an administrative error by the Company, in which case the Company will bear the cost of return;
- (b) The Goods are accompanied by a dispatch note stating the Company's original invoice number and reason for return; and
- (c) The Goods are returned in an unsoiled, undamaged and resalable condition in their original packing.

18. The Customer must not return any Goods to the Company unless it has complied with clauses 16 and 17 and has done all things necessary to permit the Company to examine the Goods to the Company's satisfaction within that period.

Delivery and storage

19. All quoted delivery or consignment dates are estimates only. The Company is not obliged to meet such dates and will not be liable to the Customer by reason of delays caused by any reason whatsoever.

20. The Company is deemed to have delivered the Goods when the Goods are made available to the Customer for physical collection by or on behalf of the Customer at the agreed delivery point or failing agreement, at the Company's nominated delivery point (Delivery). Any unloading or loading shall be the Customer's responsibility, unless otherwise agreed in writing by the Company.

21. The Company may deliver the Goods by installments (where in the Company's opinion this is reasonable to do so) and issue interim invoices to the

Customer.

22. Without limiting any other provision in these Terms and Conditions, failure by the Customer to pay any installment, or any other amount when due, will entitle the Company to withhold or delay delivery of any remaining Goods ordered.

23. If the Customer is unable to collect the Goods at the Customer's nominated delivery point on the delivery day, the Company may (at its option and without limiting its other rights and remedies) arrange suitable storage of the Goods, whether at its premises or elsewhere and the Customer must pay or reimburse all costs and expenses of storage, insurance, demurrage, handling and other charges associated with such storage. Notwithstanding the Customer's inability to collect the Goods, Delivery is deemed to have occurred.

The Customer agrees to indemnify and hold harmless the Company and its agents, employees and officers, related companies and its successors and assigns harmless from all claims, demands, actions, damages and liabilities (including attorney's fees) arising out of or in any way connected with any act or omission of the Customer, its agents, contractors, employees and officers.
