

Declaration of Conformity

We,

Tyco Electronics (UK) Ltd,
Witham Essex.
CM8 3AH
UK.

declare under our sole responsibility that the product(s)

**254-XZZ – Paladin Advantage universal programmable Transducer
DIN Rail Enclosure**

Models

254-XZZ

comply with the essential requirements and provisions of EU directive(s)

2014/35/EU	Relating to Low voltage equipment (LVD)
2014/30/EU	Relating to Electro-magnetic compatibility (EMC)
2011/65/EU	Relating to the restriction of hazardous substances (RoHS)

Are in conformity with the following harmonized standard(s) or normative documents(s) and CE marked accordingly.

EN 61010-1:2010	Safety requirements of electrical equipment for measurement, control and laboratory use – part 1: General requirements
EN 61010-2-030:2010	Safety requirements of electrical equipment for measurement, control and laboratory use – part 2-030: Particular requirements for testing and measuring circuits
EN 61326-1:2013	Electrical equipment for measurement, control and laboratory use – EMC requirements
EN 62053-21:2003	Electricity metering equipment – Static meters for active energy (Classes 1 and 2)
