

# CERTIFICATE OF COMPLIANCE

**Certificate Number** E29244  
**Report Reference** E29244-20160921  
**Issue Date** 2023-JUNE-15

**Issued to:** TYCO ELECTRONICS CORP  
2901 Fulling Mill Rd,  
Middletown, PA 17057 USA

**This certificate confirms that representative samples of** SWITCHES, INDUSTRIAL CONTROL - COMPONENT  
See Addendum Page for Model(s)

Have been evaluated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for installation in complete equipment submitted for investigation to UL LLC.

**Standard(s) for Safety:** UL 508 - Industrial Control Equipment  
CSA C22.2 No. 14 - Industrial Control Equipment

**Additional Information:** See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Recognized Component Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Recognized Component Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Recognized Component Mark on the product. |
