

## Bestückungsplan / *contact layout*

Leiterplatten-Lochbild / *PCB drillhole Pattern*

Tauchtötlanschluss 0,6 x 0,6 mm / *solder terminal 0,6 x 0,6 mm*  
 Bauart 7 / *type 7*  
 Anforderungsstufe 2 = 400 Steckzyklen / *performance class 2 = 400 mating cycles*  
 Fehlende Masse und Angaben nach IEC 60 603-2 / *Missing information and dimensions per IEC 60 603-2*

|                                                                               |  |            |  |                                                                                                       |  |                                                                                                                  |        |                       |         |
