

Seminar Details

Seminar Name:

Automotive Connectors & Contact Systems (Basics)

Lead Experts:

Dr. Helge Schmidt, Fellow R&D Engineer

Area of Interest: Automotive

When: April 20th and 21st 2021

Where: Online

Cost: 600 € excl. VAT (incl. seminar documents)

Target Group:

The seminar is aimed for anyone who is interested in Automotive Connectors & Contact Systems, from apprentices to managers. This course was explicitly designed for beginner and will concentrate on basics mostly.

Course Content:

- Overview of connectors and contact systems in the automotive electrical system
- Basics of contact physics and their influencing factors
- Overview of basic materials and coverings
- Connection technologies for contact systems and their processing
- Automotive compliant testing, testing equipment and analysis methods

Schedule:

Day 1: 9:00am – 1:30pm

Day 2: 9:00am – 1:30pm
