

Balance Life with TE's Wellbeing Connection

Empowering employees to develop a strong connection to overall wellbeing.

Our commitment to having a highly engaged workforce is only possible when our employees are taking care of themselves. TE's holistic approach to wellbeing focuses on tools, resources, events, and activities around the six pillars of wellbeing.

- Digital
- Emotional
- Financial
- Occupational
- Physical
- Social

TE partners with ComPsych to provide confidential counseling, and various resources to ensure overall wellbeing.

Providing employees with several options to help customize and personalize their wellbeing plans to support individual needs.
