

BIOGRAPHY

Joel Dubs

Senior Vice President,
Operations

Joel Dubs serves as Senior Vice President of Operations for TE Connectivity and leads Operations for the Transportation Solutions segment.

As Senior Vice President of Operations, Joel is responsible for all aspects of the company's corporate global operations including procurement, logistics, manufacturing engineering and innovation, environmental, health and safety, facilities services, and the company-wide lean initiative. He also leads implementation of the company's digital operations initiatives and has lead the company's Operations Council since 2013.

Joel previously served as Vice President of Operations for the company's Global Automotive business.

Joel joined the company in 1983 and has served in a wide variety of engineering, manufacturing and operations assignments, including nearly 10 years as a plant manager and regional and global operations assignments of increasing responsibility over the last 20 years.

Joel holds a BS in Chemical Engineering from Rensselaer Polytechnic Institute in Troy, New York.
