

HarnWare Harness Design Software

Installation Guide

1. Before installing a new HarnWare software, please check if you have any previous versions of it installed on your machine and if yes, please uninstall it. To uninstall the software, please go to windows start menu and type Add or remove programs.

 Before installing a new HarnWare software, we need to identify the required version. Please therefore check the existing version of Microsoft Visio installed on your machine. Please launch Visio, visit the Account page, click the "About Visio" button. From here user can identify if Visio is installed as 32 bit or 64 bit version.

Export Close Account	Account Privacy Manage Settings Office Background: Clouds	Update Options ~	Office Updates Updates are managed by your system administrator.	
Feedback Options	Office Theme: Colorful • Connected Services: • OneDrive - TE Connectivity shripad.kasture@te.com • Sites - TE Connectivity shripad.kasture@te.com Add a service •	About Visio	About Visio Learn more about Visio, Support, Product ID, and Copyright information. Version 1908 (Build 1192920648 Click-to-Run) Semi-annual Channel What's New See the most recently installed updates.	*

If Visio is 32 bit, then user needs to install the 32 bit HarnWare software version and Accdb driver from the installation CD and vice versa.

4. Following are the required steps to install the 32 bit HarnWare software. Please go to HarnWare installation disc folder and click on setup.exe.

7. Once the installation is done successfully, users can launch the new HarnWare software version and request for a key file to activate the HarnWare design tool by filling in the details requested on the form as per details below:

For more queries, please contact <u>hwreg@te.com</u>

REQUESTING A NEW HARNWARE KEY FILE OR A HARNWARE RENEWAL KEY FILE

1. In the HarnWare software go to HarnWare Menu > Help > Update License

2. Fill in the registration form as below:

3. Click on hwreg@te.com, this will open up Outlook and attach the User System Data File, which is required to generate a HarnWare Key File.

An e-mail will be generated as below:

E H 5 0 1	$\psi =$	HarnWare Registration Request - N	lessage (Plain Text)	
FILE MESSAGE	INSERT OPTIONS FORMAT TEXT REVIEW			
Paste Clipboard	$\begin{array}{c c c c c c c c c c c c c c c c c c c $	s Check Names	▶ Follow Up ▼ Column	om om
