

ONE OF THE **LARGEST** OFFERINGS OF **SEALED CONNECTORS** IS STILL **GROWING AND INNOVATING**

New Solutions Offer Versatility, Reliability, and Greater Functionality

With new offerings from our Heavy Duty Sealed Connector Series connector series, we help you stay ahead of the latest design trends with increased functionality such as autonomous operation in heavy-duty vehicle and off-road equipment. TE's rugged connectors are perfect for harsh environments where even a small degradation in connection may be critical. Environmentally sealed, they are designed for wire-to-wire and wire-to-device applications.

Heavy Duty Sealed Connector Series CAN Bus Y-Connector and 120Ω Resistor Housings

Need to maintain reliable CAN bus communication systems in extreme conditions? And in vehicles and machinery on the farm, construction sites, and on-and off-road? You can rely on TE's new CAN Bus Y-connectors and 120Ω terminator receptacles.

Get to Know Our Newest Products

Over the years, we have expanded our Heavy Duty Sealed Connector Series portfolio to bring new solutions to the customer, and the line is still growing. We have added product variations—flangeless, flanged, and different keyings, as well as different position groups and cable sizes within one connector.

Heavy Duty Sealed Connector Series Receptacle Housing, 4-Position, Group D

Part Number: 2-/3-/4-2208157-1

Heavy Duty Sealed Connector Series Flanged Tab Housing, 4-Position, Group E

Part Number: 1-1564536-1

Heavy Duty Sealed Connector Series Receptacle Housing, 6-Position, Group E

Part Number: 1-/2-/3-/4-2299782-2

Heavy Duty Sealed Connector Series Receptacle Housing, 8-Position, Group E

Part Number: 1-/2-/3-/4-2299782-1

Heavy Duty Sealed Connector Series Y Connector Tab Housing, 3-Position, Group A

Part Number: 2278730-1/-2

Heavy Duty Sealed Connector Series 120Ω Resistor Receptacle Housing, 3-Position, Group A

Part Number: 2306960-1

Heavy Duty Sealed Connector Series Tab Housing Fixing Slides

Part Numbers: 1670720-5 (Group C, Gray, 1.5mm)
1564562-6 (Group D, Gray, 3.5mm)
2317070-1 (Group D, Orange, 1.2mm)
1564411-7 (Group E, Violet, 2mm)
2316939-1 (Group E, Orange, 1.2mm)
