

# **TECHNICAL DATA SHEET**

TE Document:	TTDS-093
Issue:	6
Date:	March 2014

#### **KEY FEATURES**

- Multi-lingual user interface
- Point and click WYSIWYG template design
- Clipart gallery with commonly used symbols
- Full serialization, custom check digits, global variables, output masks, scripting
- Accepts and prints data in any language UniCode data support
- Multiple Label Design Objects: Text, lines, boxes, circles, ellipse and images
- Label setup wizard for quick start with best printing quality and performance
- Live database view in objects in template design area
- Extensive Barcode and 2D barcode support
- Advanced label design elements and tools: Text boxes, rich text formatting, variable label size
- All standard image files and elements supported (JPG, WMF, BMP, PNG and others)
- True print preview
- RFID support with compatible printer

### **PrintEasy v5 Software**

PrintEasy is a family of professional labelling software products that brings a complete bar code printing solution and RFID Smart Label printing to desktop, mobile and enterprise users. Software offers an easy-to-use interface and meets any label design and printing requirement for efficient label printing solutions to users in retail, logistics, healthcare, chemical, automotive, rail, mass transit and other industries.

Powerful yet easy to use Windows based label design and printing software. With PrintEasy you can quickly and easily combine bar codes, text and graphics into professional quality labels. The WYSIWYG display allows precise total control over field position and appearance and is ideal for use with the TE range of thermal transfer products.

#### SUPPORTED LANGUAGES

Croatian, Czech, Danish, Dutch, English, Finnish, French, German, Hebrew, Hungarian, Italian, Japanese, Korean, Lithuanian, Norwegian, Polish, Portuguese (Brazil), Russian, Simplified Chinese, Slovak, Slovenian, Spanish, Swedish, Thai, Traditional Chinese, Turkish and Ukrainian.

#### SYSTEM REQUIREMENTS

- IBM compatible PC 1GHz or higher 32bit (x86) or 64bit(x64) processor
- Windows XP SP3, Vista and 7 (32bit or 64bit); Windows Server 2008
- 160 to 550MB of free disk space (depending on the installation options)

#### **ORDERING INFORMATION**

- PEP-5-EXPRESS Basic Wizard Based Labelling Software
- PEP-5-PRO Fully Featured Labelling Software
- **PEP 5-SUITE** Fully Featured Labelling Software with the following extra modules:

Database Designer: - dbase and Paradox database for design of simple databases. Front End Designer: - Module for the design of user masks plus navigation for the user. Remote Control Designer: - Module to watch over directories, COM-Ports and E-Mails and automatic start of print jobs or special defined actions. Print Master.- Print Only Module for loading and printing pre created labels.

- **PEP-5-NET05** 5 license Network version of the PrintEasy Suite
- PEP-5-NET10 –10 license Network version of the PrintEasy Suite
