

Waste Electrical and Electronic Equipment for Recycling from TE Connectivity Customers

Under the Poland Waste Electrical and Electronic Equipment (WEEE) Act, when customers buy new electrical and electronic equipment from TE Connectivity, they are entitled to send old equipment for recycling on a one-for-one, like-for-like basis. Customers are also entitled to send the new TE Connectivity equipment for recycling when it ultimately becomes waste. TE Connectivity has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment is:

Old equipment that has been replaced by a purchase of new TE Connectivity equipment after 13 August 2005 (on a one-for-one, like-for-like basis); and / or
