[For compliance documentation, visit the product page on TE.com>](#)

EU RoHS Directive 2011/65/EU	Compliant
EU ELV Directive 2000/53/EC	Compliant
China RoHS 2 Directive MIIT Order No 32, 2016	有害物质含量符合标准要求 No Restricted Substance(s) Above Threshold
EU REACH Regulation (EC) No. 1907/2006	Current ECHA Candidate List: JUNE 2025 (250) Candidate List Declared Against: JUN 2013 (144) SVHC > Threshold: Not Yet Reviewed
Halogen Content	Not Yet Reviewed for halogen content
Solder Process Capability	Not applicable for solder process capability

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulations, TE's information on SVHC in articles for this part number is still based on the European Chemical Agency (ECHA) 'Guidance on requirements for substances in articles'(Version: 2, April 2011), applying the 0.1% weight on weight concentration threshold at the finished product level. TE is aware of the European Court of Justice ruling of September 10th, 2015 also known as O5A (Once An Article Always An Article) stating that, in case of 'complex object', the threshold for a SVHC must be applied to both the product as a whole and simultaneously to each of the articles forming part of its composition. TE has evaluated this ruling based on the new ECHA "Guidance on requirements for substances in articles" (June 2017, version 4.0) and will be updating its statements accordingly.

Also in the Series | [Potter & Brumfield KRPA](#)

A collection of various DC relays, including a large silver one, a smaller silver one, and a blue one.

DC Relays(24)

A collection of various general purpose power relays, including a black one, a blue one, and a gold one.

General Purpose Power Relays(45)

A collection of various relay accessories, including a white one, a black one, and a grey one.

Relay Accessories(4)

Customers Also Bought

A white cylindrical relay component.

TE Part #K1008699
Relay 26-60-05

A collection of black and red DEUTSCH HDP20 housings.

TE Part #CAT-H396-CH8172
DEUTSCH HDP20 Housings

A grey toggle switch component.

TE Part #K1002956
Toggle Switch 08-4-1-13

A black crimp tool.

TE Part #DTT-20-03
CRIMP TOOL

A black toggle switch component.

TE Part #K1007153
Toggle Switch 08-1-1-13

A cylindrical relay component with a label.

TE Part #K1060489
Relay 29-113-12

A black and orange connector component.

TE Part #DRC16-70SBE-P013UK
PLG, 70P, BLK, E, SEAL BOND, B

A silver pin component.

TE Part #SRK-PC-080-25-601
PIN, SOLID, SIZE M8, 25mm2, AG

A rectangular component with gold contacts.

TE Part #2-2176245-2
CRGS1206 5% 56R
